

Gipping Riding Society

Points League 2024

Conditions of Entry

1. This competition runs from 1st November to 31st October each year.
2. Cards are issued to competitors at the start of the season; however, competitors may request cards at any point during the year, to be able to compete in that year's competition.
3. Members may enter as many horses as they wish. Each horse must have its own card.
4. Cards must be signed on the day of the event by either the judge, ring steward, show secretary, event organiser, instructor, or a GRS committee member.
5. Only the top 2 results from each discipline entered at each show will be counted towards the final total. e.g. if you entered 2 in hand and 2 ridden classes all 4 results would count. Note: any points gained from championships will be included in the final total.
6. Points will not be awarded if a card is lost unless the owner can provide documentary evidence. Please retain a photocopy of your card when sending it in at the end of the year. The club cannot be held responsible for cards lost in the post.
7. Cards will be declared void if discrepancies are found. Competitors will be disqualified if rules are not adhered to.
8. Points can only be gained at events organised by Gipping Riding Society or BRC Area 14 events. Full scoring can be found on the additional scoring sheet sent with each card.
9. Prizes will be awarded at the AGM. All entrants that are not otherwise placed will receive a commemorative rosette.

Rosettes will be awarded to sixth place in each category with a Champion and Reserve Champion in each section. Additional awards may be awarded at the committees discretion.
